SKILLS

Technical Skills

- Python programming
- Web development (HTML, CSS)
- SQL programming
- Github
- Microsoft Office (Word,Excel,PPT)

Soft Skills

Teamwork, Time Management

OBJECTIVE

I'm looking to start my career in a company where I can apply what I've learned in computer science and grow through real-world experience. I'm interested in web development, software development, and system administration, and I've gained hands-on experience through my internship and team projects. My goal is to keep learning new technologies, solve real-world problems, and become a reliable part of a strong technical team.

INTERNSHIP

IT Technical Support

TUBE PRODUCTS OF INDIA

05/2025 – 06/2025 | Avadi, chennai

My role involved assisting the IT team with day-to-day support tasks such as troubleshooting hardware and software issues, managing system updates, checking connectivity, and supporting users with common desktop problems.
